More information...

- This list is intended to serve one family.
- We encourage you to provide **grocery store gift cards** in the amount of **\$40-\$50** so that families can purchase turkeys and fresh produce. You can also add to that amount to cover the cost of other perishables such as 1 dozen eggs, 1 pound of butter, or fresh vegetables. Please tape or clip the gift card to the outside of the bag or give to a Community Outreach minister.
- We ask you to consider packing your items in **one reusable grocery bag**. The recipient families can also continue to use this bag throughout the year.

Donations can be placed in the narthex or the church office anytime through Sunday, November 15, 2015.

St. John's Community Outreach Ministry and the RSM Food Pantry thank you for your generous support!
